Madrasah Darul Islam Muhammadia Balla Fazil (B.A) Madrasah
Balla Bazar, Kalihati, Tangail, Bangladesh.

Subject: Request for Permission and Institutional Support to Organize an Educational Seminar on the United Nations and Global Peace at Balla Madrasah.

Respected Sir,

With due respect, we would like to introduce **International Youth Change Maker (IYCM)** as an international youth organization working across more than 50 countries, engaging young people in promoting the United Nations Sustainable Development Goals (SDGs), youth leadership, peacebuilding, equality, human rights, and sustainable social development.

As part of our ongoing commitment to youth empowerment and global awareness, the IYCM Tangail District Committee has taken an initiative to organize an educational and awareness-raising seminar at Balla Madrasah. The primary objective of this initiative is to enhance students' understanding of international affairs, global challenges, and the role of young people in building a peaceful, inclusive, and sustainable world.

The proposed seminar will be held under the theme "Youth for Peace, Equality and a Nuclear-Free World." The session will focus on the role and activities of the United Nations, the importance of global peace and solidarity, the humanitarian and environmental consequences of nuclear weapons, the significance of nuclear disarmament, and the responsibilities of young generations in promoting a safer and nuclear-free world.

We believe that this educational initiative will provide students with an opportunity to broaden their knowledge beyond the traditional academic curriculum. It will also encourage critical thinking, global awareness, humanitarian values, responsible citizenship, and a greater sense of responsibility towards addressing global challenges.

In this regard, we humbly seek your kind permission to organize the proposed seminar on the premises of Balla Madrasah. We would also sincerely appreciate the necessary institutional support and cooperation from the Madrasah authority to ensure the successful and orderly implementation of this initiative.

We firmly believe that, with your kind approval and guidance, this initiative will create a meaningful learning opportunity for the students and contribute positively to their intellectual and social development.

We look forward to your favourable consideration and kind cooperation.

Yours sincerely,

Abdul Hannan Milton
Country Director, IYCM
